NEW RELEASE

ON BROADWAY

From

The Living Strings & Living Voices Series

with

JOHNNY DOUGLAS

and his

ORCHESTRA and SINGERS

Two albums from the RCA Living Strings series
“*No, No, Nanette*” and “*On Broadway*”.

With his foot-tapping arrangements of these Broadway melodies, Johnny Douglas makes a full orchestra sound like a dance band. He creates a show-music sound, captures the excitement of the choreography and the loveliness of the love songs.
